Dear Sir,

Enclosed you will find copy of assessors roll for 1906.

There is an error in the figures in the summary which I mailed you last week. The third item "value of taxable property" should be 242 858 not 266 402 as reported. This error is not meant as I simply copied from the form made out by a weaselseller over late assessor.

Yours truly
Gingerbread Miller

(a) Or solemnly declare or affirm.
(b) Or ward as the case may be.
(c) Describing by its number or title any by-law passed under the provisions of section 4.

I have extended and set down, according to the best of my information and belief, in said assessment roll the property taxable against every person assessed in said roll for the purpose of the tax in respect of the said amount, proportion to rating, and in respect of his name.

I have entered therein the names of all the residents, tenants and freeholders and of all other persons of whom taxes are assessed or who have reported their names to be entered therein, with the true amount of property assessed to each, and I have not entered the name of any person whom I do not truly believe to be a resident, freeholder, or the true fee owner or owner of the property, or in respect of the amount assessed against him, for his own use and benefit, or otherwise to be entitled to vote in the election.

According to the best of my knowledge and belief, I have entered therein the name of every person entitled to be assessed either under The Assessment Act or any other Act, and I have not intentionally omitted the name of any person whom I know or had good reason to believe to be entitled to be assessed under either the said Act.

I have entered in the said roll the date of delivery or transmission of the notice required by section 4 of The Assessment Act, and every such date is truly and correctly stated in the said roll.

I have not entered the name of any person at too low a rate in order to deprive such person of a vote, nor at too high a rate in order to give such person a vote, and the amount for which each such person is assessed in the said roll truly and correctly appears in the said notice delivered or transmitted to him as aforesaid.

I have not entered any name in the above roll, or improperly placed any letter or letters in column 4, opposite any name, with the intent to give to any person not entitled to vote, a right of voting; and I have not intentionally omitted from the said roll the name of any person whom I believe to be entitled to be placed therein, nor have I, in order to deprive any person of the right of voting, omitted from column 4 opposite the name of such person, any letter or letters which I ought to have placed there.

4. According to the best of my knowledge and belief, I have entered therein the name of every person entitled to be so entered under The Assessment Act or any other Act; and I have not intentionally omitted from said roll the name of any person whom I knew or had good reasons to believe to be entitled to be entered therein under any or either of the said Acts.

7. I have not entered any name in the above roll, or improperly placed any letter or letters in column 4, opposite any name, with the intent to give to any person not entitled to vote, a right of voting; and I have not intentionally omitted from the said roll the name of any person whom I believe to be entitled to be placed therein, nor have I, in order to deprive any person of the right of voting, omitted from column 4 opposite the name of such person, any letter or letters which I ought to have placed there.
